What work did you do this past year on your FCF skills, outfit, and trade items?

Which Old Timers, if any, are helping you develop your FCF skills and outfit?

Do you need more help from Old Timers or advanced Young Bucks in developing your skills or outfit?

We know that you can't attend all functions and can't become a perfect Frontiersman overnight. It takes many years to develop into an ideal frontiersman. However, we do want to check on your progress and see if you are staying active in Royal Rangers and FCF. Please list the Section & District events you attended this past year. If you did not attend at least three, please let us know why.

Current year dues are \$10 and are to be paid by Commanders Conference.
(Make checks payable to Georgia FCF.)

If not attending Commanders Conference mail form with payment to:
